*An act relating to the Budget Act of 2014, to amend Sections 12722 and 12728 of, and to add Section 12559 to, the Health and Safety Code, relating to fireworks, and declaring the urgency thereof, to take effect immediately.*

LEGISLATIVE COUNSEL'S DIGEST

AB 1486, as amended, Committee on Budget. ~~Budget Act of 2014.~~ *Fireworks: tax on distribution.*

*Existing law authorizes the annual retail sale of safe and sane fireworks from June 28 to July 6, inclusive, pursuant to a license issued by the State Fire Marshal, unless otherwise prohibited or regulated by law or ordinance. Existing law authorizes various entities, including the State Fire Marshal, to seize certain prohibited fireworks. Existing law requires an authority that seizes fireworks to notify the State Fire Marshal of the seizure and to provide specified information. Existing law requires the State Fire Marshal to dispose of the seized fireworks and requires dangerous fireworks to be disposed of according to specified procedures. Existing law establishes the State Fire Marshal Fireworks Enforcement and Disposal Fund (fund) in the State Treasury. Existing law requires moneys in the fund to be used by the State Fire Marshal for various purposes, including for the education of public*

*safety agencies in the proper handling and management of dangerous fireworks and to further assist in public safety and education efforts within the general public as well as public safety agencies on the proper and responsible use of safe and sane fireworks. Existing law makes a violation of the law and regulations relating to fireworks a crime.*

*This bill would require the moneys in the fund to be used for the training of public safety agencies in the proper handling and management of dangerous fireworks and to further assist in public safety efforts within the general public as well as public safety agencies on the proper and responsible use, seizure, and storage of safe and sane fireworks. The bill would also authorize moneys in the fund to be used for the disposal of any seized fireworks and any infrastructure requirements necessary for the disposal of fireworks as well as used for the administration of the fund by the Office of the State Fire Marshal or its contracted designee.*

*This bill would require, commencing January 1, 2015, a distributor, as defined, to pay a tax upon distribution, as defined, of safe and sane fireworks, as provided. The bill would require the revenue from the tax to be deposited into the fund to be used for the purposes described above. The bill would authorize the State Fire Marshal to adjust the tax rate if the revenue in the fund is not estimated to cover expenses. The bill would specifically exclude a violation of these provisions from being a crime. The bill would also authorize the seizure of safe and sane fireworks distributed in this state by an unlicensed distributor for which the required tax has not been paid.*

*This bill would declare that it is to take effect immediately as an urgency statute.*

~~This bill would express the intent of the Legislature to enact statutory changes relating to the Budget Act of 2014.~~

Vote: ~~majority~~<sup>2/3</sup>. Appropriation: no. Fiscal committee: ~~no~~-yes. State-mandated local program: no.
